If you ordered these today like I did from Target.com, you could have them delivered to you by Friday for \$39.03.

Subtotal (13 items)

\$36.47

Delivery Free

Estimated tax\$2.56 Total \$39.03

If you order on line for in store pick-up, they will have your order waiting for you on the date indicated when you choose your Target store.

If you choose to go shopping, some items on the list may not be available at all Target stores. Also, if you choose not to purchase what is listed, or purchase from another store, please make sure that the quantities, page amounts, pockets, etc. are the same. We chose these because of the quality of the plastic covers, durability, and amounts needed for the year.

***Algebra 1 only students will need – Texas Instruments TI-30Xa Calculator**

A reminder about book bags:

No wheels on book bags allowed without a doctor's note.

Students are to make sure everything they bring to school fits in the one book bag.
